HIS CIGARETTE MONEY.

A Boy Charged With Stealing Stamps From the State House.

The only arrest made by the police yesterday was that of Charles Smith, a colored boy 16 years old, whom Captain Gish and Sergeant Donovan brought to the police headquarters on the charge of petty larceny.

Smith is better known as plain "Smut" and his notoriety is due largely to his services in the capacity of mascot of the Topeka baseball club two seasons ago. It is said that "Smut" stole postal cards from several state officers at the capitol and converted them into cigarette money.

His case in the police court today was continued until tomorrow.

They Were Nightcaps.

Ennis' lecture A. O. U. W. gave a novel entertainment last evening at their hall at 412 Kansas avenue. There were about 150 members and guests present. Each lady that came brought a basket of lunch, and in this way a canteen. The ladies all wore nightcaps and the baskets were sold for 25 cents each. Then each gentleman present invited a lady to share his lunch with him. After they had satisfied their appetites, there was dancing.

LOOKING FOR JOHNNIE.

The Wolves Are Bent on Walking a Companion Wolf.

Johnnie Collingsworth, the gambler, is still out of town evading the officers who are looking for him. His enemies in "the game" are still determined that Collingsworth shall not run.

One of them said: "We propose to keep on swearing out warrants if Collingsworth comes back. There are a dozen of us willing to make complaints against him, and as soon as he gets back in this state, we will have him arrested again. We are going to make it for him and get him in the hole to keep him until he had acted right and given us a fair deal."

NEW REGENTS APPOINTED.

It is understood that the governor will also appoint N. M. Henshaw, of Lyon county, as the second new member of the state board of charities, who, with Walter N. Allen will on April 1st succeed H. B. Kelley and W. T. Yee, the present Republican members of the board.

TO SAVE MATTOX'S NECK.

Col. Johnson of Oklahoma Bound for Washington.

Col. Johnson of Oklahoma, who is Clyde Mattox's attorney, was in Topeka last evening and got from the federal officers here records and other documents necessary in appealing his client's case to the United States supreme court.

Lawyer Johnson left last night for Washington to make the appeal to the court of last resort. As Mattox is sentenced to be hung March 23, a week from tomorrow, Mr. Johnson must succeed in making quick connection with justice, if he would have a new trial granted to a live client instead of a dead.

AN EASY WAY TO ECONOMIZE

A TOPERA WOMAN'S METHOD OF SAVING THE DOLLARS.

New Clothing Made from Old By Diamond Dyes—Spring Dresses, Suits, and Wraps With No Expense for New Material—Dressing Well With Little Money.

In these hard times a Topeka woman has found diamond dyes the greatest help in economizing. With their aid, her husband, her children and herself have dressed comfortably, although nearly all the clothing was old material, dyed over.

Diamond dyes make such beautiful colors that goods dyed with them cannot be told from new. Any one can use them, as the directions are so plain and simple that no skill is needed. The color is there to stay, and will not wash, wear, or fade out.

Silk, cotton, wool, dresses, cloaks, stockings, feathers, lace, carpet rags, are all easily colored by diamond dyes. They are specially prepared for home use, and the makers guarantee them the strongest and fastest of all dyes. Use a package and see how easy it is to dye at home. The diamond are the original package dyes, and no one should accept any of the inferior substitutes that are sometimes kept by dealers for a large profit. Many of the dyes in diamond dyes are original discoveries that simplify the work, and cannot be had in other dyes. Insist on having the diamond, and you will always be successful in home-dyeing.
